Owens Premier and Premier Grip Series Running Boards Add Extra Class to the 2011 GMC Acadia Denali

Sturgis, MI (August 22, 2011) Owens Products, Inc., known for their sleek running boards with applications for pickups, vans, SUVs, and CUVs, now has available the Premier and Premier Grip Series Running Boards for the 2011 GMC Acadia Denali.

“The Denali comes outfitted with a body kit, fancy wheels, chrome honeycomb grille and a full complement of luxuries inside”, Gary Kirtley, CEO and Owens Products owner said. “All you need is the Owens Premier or Premier Grip running board and you have a class act ride.”

Owens Premier boards are made of impact resistant ABS plastic with UV protection and are ready to install or paint for that customized, one-of-a-kind look. Premier Grip Series Boards come with injection molded, strategically placed step pads in lieu of step tread. Both styles add a sleek and elegant look and are shipped equipped with a custom fit body mount bracket system for fast and easy installation.

Owens Products, Inc., is a family owned business established in 1965, and dedicated to the manufacturing of innovative and quality focused products. Owens is a dominant force in the automotive aftermarket with product lines of plastic, fiberglass and aluminum running boards, aluminum tool boxes, dog boxes, garage and trailer accessories as well as its custom made products. Owens Products is an earth friendly company and works hard at reducing their environmental footprint. 800-726-9367.
