Owens—Made in the USA—Products Offers a One-Stop Shop For Custom Aluminum, Light Steel, Fiberglass and Plastic Fabrications

Sturgis, MI (November 28, 2011) Owens Products, Inc., known for their sleek running boards with applications for pickups, vans, SUVs, and CUVs, is also your one-stop shop for customized aluminum, fiberglass, and thermal form plastic fabrications.

Since 1965, Owens has quietly gone about making certain that their staff and their expertise meets all fabrication needs.

“Owens specializes in product design, pattern development, mold capabilities for both fiberglass and thermal form plastic, product production, packaging and shipping,” explained Gary Kirtley, CEO and Owens Products owner. “Need private labeling? We provide that as well and everything is done here in the USA.”

Owens can also help with welding needs and offers full TIG and MIG welding capabilities. Combine their CNC turret press, CNC press brake, 12’ shear, 100 ton stamping presses, extrusion chop saw and specialty trained technicians and you have the speed and accuracy needed to help you stay competitive in aluminum fabrication.

Owens Products, Inc., is a family owned business established in 1965, and dedicated to the manufacturing of innovative and quality focused products. Owens is a dominant force in the automotive aftermarket with product lines of plastic, fiberglass and aluminum running boards, aluminum tool boxes, dog boxes, garage and trailer accessories as well as its custom made products. Owens Products is an earth friendly company and works hard at reducing their environmental footprint. 800-726-9367. www.OwensProducts.com
